

CLEENOL GROUP LTD

PRODUCT USE GUIDE FOR SENSES BACTERICIDAL LIQUID HAND SOAP

Product Description

A high quality bactericidal based liquid soap. Designed for food preparation and production areas. Cleans and sanitizes hands in one operation. Leaves hands clean, fresh, smooth and conditioned. Kills 99.9% of germs.

Product Features

- A quality, high viscosity, white pearlescent hand soap for use with a wall-mounted soap dispenser.
- A mild effective formulation to remove light to medium soiling.
- Rinses off easily.
- Ideal for use in the food preparation and catering industries.
- A non-perfumed, non-tainting formulation to protect against hand and food borne infections, the product is also effective in hospitals against nosocomial disease.
- With added emollient to leave the hands feeling smooth and conditioned.
- Complies with the challenge test against the following organisms using an adaptation of the European Suspension Test (BSEN 1276): E coli, salmonella typhurium, listeria monocytogenes, staphylococcus aureus
- Tests have also found this product to be effective against methicillin-resistant staphylococcus aureus (MRSA).
- Food safe.

Directions for Use

Note: Use biocides safely. Always read the label and product information before use.

- Apply one to two dispenser portions to wet hands and work in thoroughly, paying particular attention to finger nails and cuticles.
- Rinse and dry hands thoroughly with a paper hand towel or warm-air drier.
- Thoroughly rinse the dispenser with hot water, pumping through the nozzle at least once a month to avoid blockage.

Toxicological Information

- This product is formulated from cosmetic grade ingredients and is intended to be applied directly to the skin.
- If you are allergic to any of its ingredients, do not use this product.
- If any allergic reactions are suffered, discontinue use of this product immediately and seek medical advice.

Shelf Life

- It is recommended that this product is used within 12 months of purchase in the UK climate and within 6 months in warmer climates. Do not allow to freeze.
