PPE Required

Directions For Use

- Clean the toilet thoroughly, including under the rim then flush the toilet.
- Remove the block from the pack, DO NOT remove the pleated wrapper as this will dissolve in the water.
- Drop the block into the cistern by the float, at the opposite end to the water inlet.
- Allow 5 minutes for the block to settle before flushing.
- When colour fades replace with another Lu Blue block to ensure your toilet remains fresh and clean.
